

CORPORATE WHISTLE BLOWING POLICY

The aim of Corporate Whistle Blowing Policy is to provide a platform for Whistle Blowers to raise their concerns to appropriate pre-identified authority about any suspicious or undesired events / activities, which are against the policies of AEG Pakistan (AEG) or may have an adverse impact on the business or goodwill of AEG or the society at large. Whistle Blowers should be able to report such case(s) without any reservations of retribution, such as fear for the loss of job, discrimination, victimization, harassment, etc. Whistle Blowing is one of the effective contemporary managerial techniques used for prevention / detection of the likely attempt(s) of defrauding the organization and other malpractices by its employees, customers and/or other parties. It mobilizes the employees to communicate their suspicions and reasonable doubts to the management about malicious activities without fear and prejudice.
